

WAARC May 14, 2016 meeting minutes

President Bobby, N5VCU, was not able to make the meeting so our Vice President, Will, K4MI called the meeting to order and welcomed all. There were 26 attending. Will, indicated that since this was the club picnic we would keep business brief. Secretary Dan, WG4F, passed a card around for all to sign for the family of Don Curtis, W4RDJ, SK.

There was brief discussion concerning our Field Day plans. Bill, NR4C would be in charge of the SSB station, providing radio and laptop. Ted, W3TB, and Will, K4MI, would be in charge of the CW station, using Will's laptop and radio. Chuck, AI4WU, has a radio for the GOTA station. He mentioned the need for a coach, and we now know he filled that role with a major commitment and a great job well done.

Plans were made to have breakfast Friday morning at Honey Butter (old Candle Light location) about 8:30 and then come to set antennas. There was also a plan to have breakfast at Jimmy's Saturday before coming to the Field Day location for setup. Ed, K1NUH, handled the press release document. Chris, KC4CMR plans to provide the message traffic and hopes to have an announcement play on WMBG.

We then all enjoyed a great picnic and conversation with great weather.
