

WAARC June 12, 2018 meeting minutes

The June meeting was the annual club picnic at the Little Creek Reservoir Park off Lakeview Road off of Forge Road. This is also the club Field Day site. The picnic “meeting” started at 6:30pm instead of the normal time and while rain was a concern, we lucked out. This was a record setting picnic with 50 attending (head count).

Club President Dino (KL0S) presented an ARRL “challenge coin” to long time VE Mike Conte (W4NYY) in recognition of his over 21 years of coordinating the club’s bi-annual license exam sessions. Dino also indicated the club plans to expand the testing program to accommodate additional sessions in support of upcoming Technician licensing and General/Extra class upgrade classes, with help from Kerry, NH2A.

Dino also displayed the clubs ARRL affiliated club banner.

The WAARC Food Committee then conducted the club’s Annual Picnic providing a wonderful buffet style BBQ meal provided by the world famous Pierce’s Pitt Bar-B-Que and fed a record setting 50 members of the club and their guests. Committee members included Ed Kelly K1NUH, Toby Papas KL0SS, Anita and Kerry Hofferth KH2FX and NH2A, and Steve Flester KG4SMV.

The program:

Everyone enjoyed the fine food set out by our food committee and the eyeball QSO’s. See the club groups.io site photos for pictures from the event.

Attendees:

Lots of members and their guests.

Respectfully submitted, Dan, WG4F. Please send any corrections or additions to me.
