Williamsburg Area Bicyclists would like to thank those who helped make the recent 2014 Pedal the Parkway a success. Pictured, from left, are Dan Smith, superintendent of Colonial National Historical Park; Nancy Carter, Pedal the Parkway coordinator for WAB; Kathleen Curran, from sponsoring Riverside Doctors Hospital, Williamsburg; Ted Moreland, past president of WAB; Bob Austin, president of WAB; Mary Turnbull, past president of WAB; Mike Byrd, National Park Service liaison to Pedal the Parkway; Dino Pappas, from the Williamsburg Area Amateur Radio Club; and Kim Berry, of Eco Discovery Park. WAB also wishes to thank the Williamsburg Host Lions Club volunteers who manned entrances into the parkway during the event, as well as other sponsors and helpers. Around 1,100 people enjoyed a great day on the Colonial Parkway along the James River.
